

Participants may receive a maximum of 1 *AMA PRA Category 1 Credit™* by reading the CME article and correctly answering at least 70% of the questions in the Posttest.

To take this Posttest online and earn credit immediately, go to PSYCHIATRIST.COM, Keyword: December.

Or, take the Posttest and send the completed Registration form to the address or fax number listed on the form.

Unanswered questions will be considered incorrect and so scored. Answer sheets, once graded, will not be returned. All replies and results are confidential. The CME Institute of Physicians Postgraduate Press, Inc., will keep only a record of participation, which indicates that you completed the activity and the number of *AMA PRA Category 1 Credits* you have been awarded. Correct answers to the Posttest will be available upon request after the submission deadline.

Accreditation Statement

The CME Institute of Physicians Postgraduate Press, Inc., is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Answer to Pretest: d

Nuevo et al

pp 1592–1599

- In this large nonclinical sample, standardized for age and sex, the rate of diabetes mellitus in individuals with 4 psychotic symptoms compared with those with no psychotic symptoms was ____.**
 - The same
 - Half
 - Double
 - More than double
- All of the following factors significantly increased the odds of having diabetes *except*:**
 - Psychotic symptoms
 - Marriage
 - Lifetime treatment of psychosis
 - Clinical depression
- Mr A and Mr B have previous diagnoses of schizophrenia. Mr A has current delusions and hallucinations, while Mr B does not. According to this study, which individual has higher odds of having diabetes?**
 - Mr A
 - Mr B
 - The odds are the same
- Although the use of self-report for diabetes diagnoses in the sample may have provided an underestimated prevalence of diabetes, it probably also minimized the percentage of false positives.**
 - True
 - False

REGISTRATION FORM

Circle the one correct answer for each question.

- 1. a b c d
- 2. a b c d
- 3. a b c
- 4. a b
